

REQUEST FOR TREATMENT REPRESENTATIONS AND CONSENT

I hereby acknowledge and understand that there may be an increased risk that COVID-19 may be transmitted in any place of public accommodation, which includes my dentist's office. I have been informed by my dentist of her desire to protect their patients, staff and the community at large. **WE ARE TAKING EVERY PRECAUTION NECESSARY TO LIMIT THE EXPOSURE OF ANY VIRUS WITHIN OUR OFFICE.**

I understand that despite my health care providers best efforts to identify potential carriers of the virus, we cannot guarantee that we are able to identify such individuals and prevent them from potentially bringing the virus to this office. Despite safeguards instituted to minimize infection, I understand that there is a risk that performing this procedure, and such care associated with it, may result in my becoming infected with the COVID-19 virus. Such infection could further result in significant sickness, disability, or death.

I understand that in addition to this Special Consent Form for An Elective Surgery or Procedure During the COVID-19 Pandemic, I will be provided a separate Consent Form for review regarding the particular surgery or procedure to be performed. I understand that this Special Consent Form is only being used because of the unique circumstances surround the pandemic.

As a prerequisite to obtaining the treatment proposed, I am confirming that I have none of the current commonly known symptoms of COVID-19 (fever, cough, shortness of breath, sore throat, loss of taste and/or smell sensation) and that I have not traveled by airplane, cruise ship, train or other form of public transportation. Further I been practicing, all current CDC guidelines with respect to "social distancing" and have NOT been in contact with a person who had a positive test for COVID-19 or suspected to be positive.

I hereby consent to the treatment proposed by my dentist.

I hereby authorize _____
Doctor's Name

And whomever he/she may designate as his/her assistants, to perform upon me the following operation and or procedures:

I request and authorize him/her to do whatever he/she deems advisable if any unforeseen condition arises in the course of these designated operations and or procedures calling, in their judgement, for procedures in addition to or different from those now contemplated.

I consent to the above treatment after having been advised of the risks, advantages and disadvantages of the treatments and consequences if this treatment were withheld.

I further consent to administration of local or general anesthesia, antibiotics, analgesics or any other drugs that may be deemed necessary in my case, and understand that there is a slight element of risk inherent in the administration of any drug or anesthesia. This risk includes adverse drug response (e.g., allergic reactions), cardiac arrest, and aspiration, and thrombophlebitis (e.g. irritation and swelling of a vein), pain, discoloration and injury to blood vessels and nerves which may be caused by injections of any medication or drugs.

I am informed and fully understand that inherent in any type of surgery are certain unavoidable complications. In oral surgery, the most common of these complications include post-operative bleeding, swelling or bruising, discomfort, stiff jaws, loss or loosening of dental restorations. Less common complications can include infection, loss or injury to adjacent teeth and soft tissues, nerve disturbances (e.g., numbness in mouth and lip tissues), jaw fractures, sinus exposure and swallowing or aspiration of teeth and restorations, and small root fragments remaining in the jaw which might require extensive surgery for removal.

I realize that in spite of the possible complications and risks, my contemplated surgery/treatment is necessary and desired by me. I am aware that the practice of dentistry and surgery is not an exact science and I acknowledge that no guarantees have been made to me concerning the results of the operation of procedure.

I have provided as accurate and complete a medical and personal history as possible including those antibiotics, drugs, medications and foods to which I am allergic. I will follow any and all instructions as explained and directed to me and permit prescribed diagnostic procedures.

I have had the opportunity to ask questions and receive answers to and responsive explanations for, all questions about my medical condition, contemplated and alternative treatment and procedures, prior to signing this form.
